

## FORUM

# “Exchanging of Best Practices in Public-Private Cooperation between Bulgaria and Greece”

12 November 2014,

Porto Palace Hotel & Conference Center, Thessaloniki, Greece

The Forum “*Exchanging of Best Practices in Public-Private Cooperation between Bulgaria and Greece*” is part of the international initiatives of the **Hanns Seidel Foundation** with the support of **OECON GROUP Business and Development Consultants** and **National Association of Municipal Clerks in Bulgaria**.

The aim of the event is to empower the Cross-Border businesses and investment cooperations to implement targeted strategies supporting the creation and the development of SMEs and the business actors in the most promising sectors for job creation and economic spillovers.

In particular, the Forum will include two panels on “Presentation of the public experience in the Cross-Border Region” and “Exchanging of Best-practices” aiming to present funding opportunities, classical cooperation methods, know-how and already implementing projects.

Participants in the event will be mayors & representatives of public administrations and municipalities and NGOs/chambers from Bulgaria and Greece.

OECON GROUP was established in May 2003 by a team of executives with great expertise and experience in the field of Business Consulting of companies and organizations, at a national, European and international level.

Our main target is to provide Business Consulting services of high requirements dealing with particular attention to the needs and particularities of every business move of our clients.

We make a difference by serving our clients with working teams that work towards getting the best results according to our clients’ benefit. Our working model delivers responsive service and insights with a high degree of confidence. For more than 10 years, we measure our own success by only one criterion: our clients’ success. NATIONAL ASSOCIATION OF  
MUNICIPAL CLERKS IN BULGARIA

NAMCB is a professional non-profit association, established in July 2005 in Sofia. The aim of NAMCB is to help the training and qualification of municipal clerks in Bulgaria by organizing seminars, conferences, experience exchange, by information and reference activity, as it takes part in national and international programmes and projects.

The NAMBCB works very closely with the Municipalities and the multi-professional services which are included on it.
